VOLUME 1

SEPTEMBER 4, 2019

We are already beginning week 3 of the new school year and we are off to a great start! We have lots of events happening in the next few weeks so please make sure you read this newsletter thoroughly and mark your calendars for important dates. I would like to encourage you to schedule a meeting with your child's teacher just to make contact with him/her and establish that parent-teacher relationship. You know your child best and it's important that you give us any information needed to help him/her succeed in school. If any accommodations are needed, this would be the time to make a plan. In this newsletter, you will find the email address of your child's teacher. Please feel to contact him/her using this information. Our number one priority is for your child have a successful year. The best way to make that happen is having good communication between parent and teacher.

Thank you for trusting your child with us at Riverside. We take the responsibility of educating your children very serious.

In His Service,

Ginny Keith, Principal

4-H AND CLOVERBUDS

Our first meeting will be Friday, September 6th:

Cloverbuds are ages 5-7

Regular 4-H is ages 8 and up

4-H and Cloverbud meetings will be held on the first Friday of every month.

- New guidelines from the county require that 4-H members, including Cloverbuds, sign up online.
- The regular 4-H members also must pay a \$20.00 fee. This is a county rule, not a school rule.
- Cloverbuds will have a \$5.00 fee to help with crafts and snacks.

This first meeting will include an Operation Christmas Child Kick Off event.

Meeting

9:00 4-H

We will be celebrating Grandparents Day on Tuesday, Sept. 10. Please invite your grandparents to join us in chapel at 8:10 Tuesday morning. After chapel, grandparents go to their grandchild's classroom and then to a special reception in the cafeteria at 9:15. Students will have their regularly scheduled snack breaks. We look forward to honoring our grandparents on this special

Box Tops for Education

Don't forget to save your Box Tops for Education! Each Box Top is worth 10 cents, and they really do add up quickly!

Students should bring Box Tops in a zip bag marked with their name and the count (50 or more) and they will receive a casual day coupon for each bag of 50 Box Tops turned in.

Tips for reading to and with young children in school, kindergarten through third grade

- Keep reading to your child even when he can read. Choose books that are too difficult or long for him to read alone.
- Try reading books with chapters and talk about what is happening in the story. Encourage your child to make predictions about what will happen next and connect characters or events to those in other books and stories.
- Talk with your child about which stories she likes best. Ask whether she likes adventure stories, mysteries, science fiction, animal stories, or stories about other children. Encourage her to explain the reasons for her preferences.
- Talk with your child about favorite authors and help him find additional books by those authors.
- Take turns reading a story with your child. Don't interrupt to correct mistakes that do not change the meaning.
- Talk about the meaning of new words and ideas introduced in books. Help your child think of examples of new concepts.
- Enjoy yourself and have fun when you're reading together. The most important thing you can do to help your child become a successful reader is to let him know that you enjoy and value reading.
- Talk with your child about stories using the notions of the beginning, middle, and end of the story to organize thinking and discussion.
- Ask your child to tell why a character took the action that he did. Then ask him what in the story made him come to that conclusion.

Tips for reading to and with children in grades four through six grade

- Take turns reading a book with your child.
- Ask your child to compare a book to another familiar book. How are the characters alike or different? Do the stories take place in similar settings? How are the illustrations the same or different?
- Ask what part of the story or book your child liked best and why.
